

COURSE SCHEDULE

The course will begin and end in Anchorage, Alaska. Students are expected to arrange their own transportation to/from Anchorage with arrival by late evening of day 1 and departure in late evening of day 14. Please refer to the official course web page for actual dates of the field trip:

<https://www.uaf.edu/geosciences/academics/international-volcanology/index.php>

Day 1 Students arrive in Anchorage

Day 2 The morning is spent for orientation and acquiring food supplies. In the afternoon students will be briefed on the current state of volcanic activity in Katmai area and weather conditions. We

20% extra credit for an optional presentation. Presentation will be evaluated based on (1) organization and content, (2) subject knowledge, (3) effective use of whiteboard and handouts, and (4) presentation skills.

This percentage score is transformed into a plus-minus letter grade using these cutoffs:

F	D	D+	C	C+	B	B+	A-	A
---	---	----	---	----	---	----	----	---
