

# 2020 Annual Highlights

Extending Knowledge, Changing Lives

Agriculture,  
Natural Resources  
and Extension

## Responding to the Pandemic

*I attempted to respond quickly to community requests for education on topics that were suddenly very important to my Southeast clientele: family resources, programs for youth unexpectedly at home, healthy home information and strategies for household resilience in the face of unexpected change and financial difficulty.*

— Southeast Alaska Extension agent Sarah Lewis

### Agriculture and Horticulture
