Plagiarism Plagiarism is the use of another person's work without their permission. This includes copying text, images, or other content from a website, book, or other source and using it in your own work. The University of Alaska defines plagiarism as the use of another person's work without their permission. For more information, see the UAF Honor Code (or Student Code of Conduct) website at www.uaf.edu/honorcode. We trust you will understand the importance of academic integrity and will adhere to the standards of conduct expected at the University of Alaska. We trust you will understand the importance of academic integrity and will adhere to the standards of conduct expected at the University of Alaska.
