## The Government's Policy of Resettlement of Refugees from the Former Soviet Union

### 1. INTRODUCTION

#### A. Background

The Government of the United States has a long history of resettling refugees from the former Soviet Union. This policy is based on the belief that these individuals are in need of protection and assistance. The Government's policy is to provide these individuals with the opportunity to start a new life in the United States.

#### B. Objectives

The Government's policy is to provide these individuals with the opportunity to start a new life in the United States.

The Government's policy is to provide these individuals with the opportunity to start a new life in the United States.
