Breakdown of points

Attendance and Class Participation	80
Final battle	20

Attendance/Class Participation:

In any dance class, attendance is essential for everyone's learning and for a cohesive group. Frequent absence, tardiness and non-participation in a partner dance class in particular are a major disruption that impedes the success of the class as a whole even if it does not affect you personally. As such a **maximum of 5 absences are allowed**. More than 5 absences is an automatic FAIL grade for the course.

VERY IMPORTANT: *since this class will be focusing mainly on dancing (footwork, simple freezes), any kind of "power move" is prohibited. That means attempting to do head spins or wind mills or flairs or anything that can lead to serious injury. Doing a "power move" during class will result in automatic failure of the course*
